

Camden County Council of Education Associations

Minority Leadership and Recruitment Committee, Danita Corsey, Chairperson
presents

Cultural Competence

Recognizing that culturally competent instruction helps educators/school employees close achievement gaps, NJEA offers a program that expands the capacity of school employees to serve students from diverse cultural and ethnic backgrounds.

The four objectives of this workshop include:

- Deepen participants' own cultural self-awareness
- Increase participants' understanding of the link between cultural self-awareness and cultural competence
- Identify culturally responsive teaching practices
- Share strategies for promoting culturally responsive instruction

Date: Thursday, February 23, 2017
